Sales Summary

The chart below provides an overview of total sales revenue for each coffee product in our portfolio. Flat White leads with the highest total sales at \$1,680, followed by Latte at \$1,587. These premium coffee drinks consistently generate strong revenue. Our core espresso-based products maintain steady sales throughout the reporting period, with Vienna Coffee and Mocha also performing well. The variety in our product range allows us to serve different customer preferences while maintaining healthy sales across all items.
